

# Hydropool's Exclusive Self-Cleaning Technology.

The World's Easiest Hot Tub to Maintain.

The Self-Cleaning System cleanses 100% of the water every 15 minutes, that's an incredible 8 times in 2 hours!

**Did you know...**

With the Quick Drain System there is no Shop-Vac or Sump pump needed.

The system also pumps the hot tub water out at distance or any grade. Saves time and the hassle associated with hot tub maintenance.

**Did you know...**

The design of our seating and the strategically placed jets create a continuous flow of water pushing all floating debris towards the high flow skimmer, boosting the efficiency of our self-cleaning system.

We have always been committed to creating time for what matters... you.
